Guide to fibre sampling:

- 1 Choose the same samples site on each alpaca. Use this site for each alpaca, for each year.
- 2 The sample needs to be only the width of your finger (two fibre bundles or staples).
- 3 Cut the sample as close to the skin as possible.
- 4 Place sample in a bag (can be provided by AAFT) and write name/IAR etc on the bag.
- 5 Send sample bags and Test Request form to:
